

Brief description of the situation of INTERSPORT Polska S.A.

**In the period from 1 January 2015 to 31 December 2015 submitted to the Supervisory Board,
General Assembly, and Shareholders**

In connection with the adopted Good Practices of WSE Listed Companies, the Supervisory Board has decided the following:

The Company's Supervisory Board assessed the Company's situation in 2015.

The assessment of the Supervisory Board is based on the review of the Company's affairs and discussions carried out with the Management Board and employees of the Company at quarterly meetings and on ongoing basis, in consideration of the internal control system and risk management system of the Company. The Supervisory Board additionally took into account the assessment of the financial statements for the first half-year and the financial year 2015 prepared by the Audit Committee.

Having reviewed the financial statements of INTERSPORT Polska S.A. Company as of 31 December 2015, including:

- The balance sheet for 31 December 2015 which shows the total balance of assets, equity, and liabilities in the amount of PLN 134,538,709.89
- Profit and loss statement for the period from 1 January 2015 to 31 December 2015 which shows net loss of PLN 4,419,377.99,
- Cash-flow statement which shows net cash flow in the financial year 2015 by the amount of PLN 19,535.42
- Additional information,

complete with the opinion of the chartered auditor reviewing the financial statement on behalf of WL Finanse sp. z o.o. with the seat in Kraków – the entity authorized to review financial statements, the Supervisory Board accepts the above documents without any reservations due to the fact that they comply with the documents and books of the Company as well as the factual circumstances and therefore recommends the General Assembly of Shareholders to the approval of the same.

Further, the Supervisory Board positively assesses the request of the Management Board on covering the Company's loss and decides to recommends to the General Assembly of Shareholders that the Company's net loss for 2015 in the amount of PLN 4,419,377.99 is covered from the supplementary capital of the Company, as requested by the Board.

In 2015 the Company reported loss on operating activities of PLN 1,749,793.55 and EBITDA amounted to PLN 5,079,216.33.

Despite the fact that the Company generated loss in 2015, the activities of the Management Board can be considered as heading in the right direction. Those were related to:

1. Increasing the percentage share of the sale of all-year product groups such as football, running, fitness, tourism in relation to winter product groups (skiing, snowboarding). The activities of the Company have led, practically, to the evening of the revenues gained from the sale of typical winter products and all-year products.
2. Optimization of the trading area.

The Supervisory Board indicates that the Company maintains a clear policy with regard to financial reporting. The Supervisory Board positively assesses the Company's system of internal control and risk management system.

In the period from 1 January 2015 to 31 December 2015 the Management Board of INTERSPORT Polska S.A. acted in the following composition:
